

MASARYK UNIVERSITY STAFF TRAINING WEEK 2026

International Office

Join us for MUST Week 2026 at Masaryk University, designed for international partners who want to deepen cooperation, share practical experience and learn more about mobility processes. Expect practical sessions, open discussions, campus visits and a full day in South Moravia, including the UNESCO-listed Valtice Chateau.

MAIN TOPICS

1 . From Paper to Platform: Lessons from Implementing Erasmus Without Paper at MU

Discover how digital transformation is reshaping administrative work at MU as we share practical lessons, challenges and real-life experience from implementing Erasmus Without Paper.

2 . Supporting Erasmus Incoming Students

See how incoming Erasmus students are welcomed, guided and supported throughout their stay, including orientation, integration and daily cooperation.

3 . Erasmus + ICM project work in practice

A look behind the curtain of the programme with a focus on project management, budgeting, reallocations and monitoring, offering practical insights into how Erasmus+ ICM works in everyday operation.

4 . Gen Z at the university

Explore the mindset, communication styles and learning habits of the youngest generation of students and learn effective ways to connect, support and work with them in the university environment.

And much more...

MU SHOWCASE

Good practice presentations

Highlights of successful projects and initiatives. More to be added...

EDUC ALLIANCE
